QUESTION : Broke up with my girlfriend. Will I be able to get back with her ? Love marriage ?

ANSWER :

Hello there Rathore, we are glad to answer your query. You are concerned about your love life and marriage. Let us tell you what your chart shows. YOUR LAGNESH BUDHA(Mercury) is in indeed a very good position sitting in 9th HOUSE Bhaagya Bhaav (House of Fortune). This house is part of TRIKONA which is very important and auspicious. Overall this tells us that you will get support of LUCK as long as you keep yourself involved in good deeds and will continue to grow even more ! A strong LAGNESH gives strength to you KUNDLI and therefore your chart is STRONG.

Coming to your question regarding love, SHUKRA is sitting in 7th house which is the house which tells about your SPOUSE, PARTNERS, MARRIED LIFE etc.

VENUS is a very important planet in charts of MALE persons as it also tells about their wife. Your Venus is very strong! Why? It's not only sitting in your 7th house but also VENUS is a friend of MERCURY your LAGNESH. Apart from that it is in UCCHA RASHI (Exalted State). This will give very good results. Venus sitting here will also make you charming and attractive. You might be interested in Acting , Music and Fashionable items.

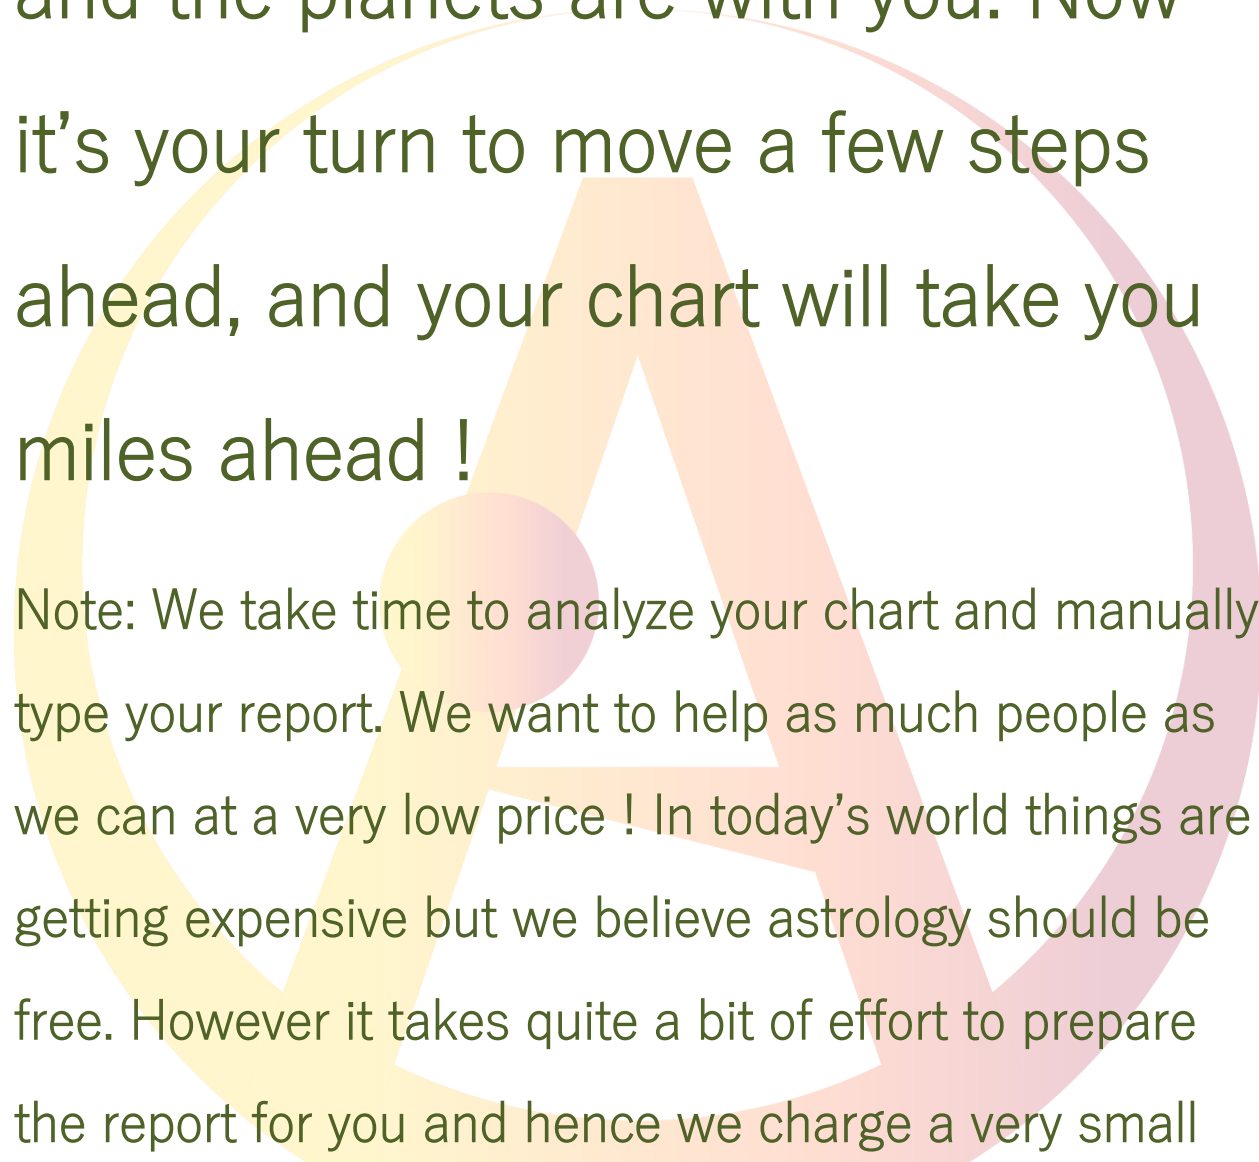

EXTRA INFO

We found your chart to be good ! Your sun is also EXALTED in 8th house. However it's coming in influence of RAHU. Make sure you don't consume Alcohol, bad food, Cigarettes as it will make your RAHU bad and trigger inauspicious events in your life. This might strain your relations with your family too and make your speech cruel. You get into troubles due to your speech sometimes even if you have no ill intentions. APART from all this your chart is very impressive.

CONCLUSION

HENCE WE STRONGLY BELIEVE that you will get the love of your life

back. We came to this conclusion because of strong placement of your LAGNESH MERCURY and GOOD position of your SAPTMESH VENUS. Trust us, even if you feel like right now your love affairs are not working out, you are destined to get a very charming, beautiful and impressive spouse. We are quite sure about it. Keep trying your best and also make sure to work on

yourself too. Your chart is promising and the planets are with you. Now it's your turn to move a few steps ahead, and your chart will take you miles ahead !
